* Oblast IDP figures as reported by the heads of oblast civil-military administrations. These figures are used temporarily and during the transition phase until national data is available. The system of national IDP registration was rolled out on 13th of March - Resolution 509. National IDP registration is currently conducted by social protection; centers for provision of administrative services; executive authorities in villages and hromadas; and the Diia portal of the government e-services system under the Ministry of Social Policy of Ukraine (MoSP)
