

REPUBLIC OF SUDAN- North Kordofan State

El Obeid Building Damage Assessment

For humanitarian purposes only
Production date May 12, 2026

Building Damage

- Destroyed
- Severely damaged
- Moderately damaged

Damage Density

- El Obeid
- Neighborhood

Data sources:
Satellite data Pleiades : 30 cm
Date: December, 2022 and February 2026
Roads - OpenStreetMap
Infrastructures- OpenStreetMap
Damage Analysis : Impact Initiatives Sudan
Coordinate System: GCS WGS 1984
Contact: impact.geneva.mapping@impact-initiatives.org

The building damage assessment was conducted using change detection of building shapes between a high-resolution Pleiades image (30 cm) from December 2022 and a Pleiades image (30 cm) from February 2026.

Note: Data, designations and boundaries contained on this map are not warranted to be error-free and do not imply acceptance by Impact Initiatives partners, associates or donors mentioned on this map.

Limits and names are indicative and intended for contextualization purpose.
