

NGA1807a Annex A – VENA Thematic Assessment DAP

Research Question	Sub-question	Data Collection Method	Indicator/Variable	Data Collection Level	Type	Name	Label	Choices
What are the profiles of vulnerable population completely or partially unable to meet their essential needs?	Where are these people that are unable to meet their essential needs?	HH Interview	Location of people unable to meet their essential needs	HH	select one	population_state	In which state is this interview taking place?	Borno, Yobe, Adamawa
		HH Interview	Location of people unable to meet their essential needs	HH	select one	population_LGA	In which LGA of \${population_state} is this interview taking place?	Enter LGA
		HH Interview	Location of people unable to meet their essential needs	HH	select one	population_settlement_list	In which settlement of \${population_LGA} is this interview taking place?	Enter Settlement
		HH Interview	Location of people unable to meet their essential needs	HH	integer	point_number	What is the number of the point on the map you are surveying at?	Insert number
	Who are these people?	HH Interview	Demographics of HoH or their equivalent	HH	integer	respondent_age	How old are you?	Insert number
		HH Interview	Demographics of HoH or their equivalent	HH	Select one	respondent_sex	Sex of the respondent	Male/Female
		HH Interview	HoH profile	HH	Select one	head_of_household	Are you the head of household and able to speak with knowledge about the household?	Yes/No
		HH Interview	Proxy for HoH	HH	Select one	hoh_equivalent	We want to know about needs, vulnerabilities and the situation of your household, can you answer for the whole household on behalf of the head of household?	Yes/No

NGA1807a Annex A – VENA Thematic Assessment DAP

What are the profiles of vulnerable population completely or partially unable to meet their essential needs?	How do the above-mentioned experiences differ based on household's displacement status (i.e. displaced and non-displaced households)?	HH Interview	Displacement status of the individual HH member	HH	Select one	hh_member_residential_status	What is the displacement status of the household?	IDP Non Displaced
		HH Interview	Displacement status of the individual HH member	HH	date	date_arrived	What date did your household arrive in this current settlement?	Insert date
		HH Interview	Demographics of individual HH member	HH	Select one	marital_status	What is the marital status of the head of the household?	Married Single Divorced Widowed I don't know or I don't want to answer Other
		HH Interview	# of members in the household	HH	integer	hh_size	How many people do you have as part of your household in terms of living with or near you, sharing resources, eating from the same pot?	Insert number
		HH Interview	Demographics of individual HH member	HH	integer	hh_member_age_preloaded	How old is the member of the household?	Insert number
		HH Interview	Demographics of individual HH member	HH	Select one	hh_member_sex	What is the gender of the member of household?	Male/Female
		HH Interview	Demographics of individual HH member	HH	Select one	hh_member_hoh	Is this household member the head of the household?	Yes/No

NGA1807a Annex A – VENA Thematic Assessment DAP

		HH Interview	Demographics of individual HH member	HH	Select one	hh_member_hoh_relations hip	What is the relationship of the household member to the head of the household?	I am the head of the household Husband/wife Son/daughter Brother/sister Grandchild Step-child Parent of the head of household or her/his spouse Nephew/niece Other relative Servant Non-relative I don't know or I don't want to answer
		HH Interview	Demographics of individual HH member	HH	Select one	hh_member_attending_education	Is this household member currently attending any type of formal/informal education?	Yes/No/Don't Know
		HH Interview	Demographics of individual HH member	HH	Select one	hh_member_in_school	What type of school does this household member attend?	Currently attending Early Childhood Development Currently attending primary Currently attending Accelerated Education Programme Currently attending secondary Currently attending university Currently attending professional school nearby (nursing, teaching, etc.) Currently attending vocational training by a partner/NGO Currently attending

NGA1807a Annex A – VENA Thematic Assessment DAP

								vocational training by the government Language course Child friendly space Adult literacy Islamic School I don't know or I don't want to answer
		HH Interview	Demographics of individual HH member	HH	Select one	hh_member_formal_education	What is the highest level of formal education this household member reached?	No formal education Started but did not complete primary school Completed primary school Started but did not complete secondary school Completed secondary school Started but did not complete university Completed university Started but did not complete professional degree nearby (nursing, teaching, etc.) Completed professional degree nearby (diploma, nursing, teaching, etc.) I don't know or I don't want to answer

NGA1807a Annex A – VENA Thematic Assessment DAP

		HH Interview	Demographics of individual HH member	HH	Select one	hh_member_informal_education	What is the highest level of informal education this household member reached?	No informal education Started but did not complete Early Childhood Development Completed Early Childhood Development Started but did not complete Accelerated Education Programme Completed Accelerated Education Programme Started but did not complete vocational training by a partner/NGO Completed vocational training by a partner/NGO Started but did not complete vocational training by the government Completed vocational training by the government I don't know or I don't want to answer

NGA1807a Annex A – VENA Thematic Assessment DAP

		HH Interview	Demographics of individual HH member	HH	Select Multiple	hh_member_no_edu_reason	Why is this household member not attending school?	Cannot afford to pay costs (tuition, fees, books, uniform, etc.) Unable to register in the school due to lack of documentation Classrooms are overcrowded Insufficient number of desks in the classes Lack of school materials Child has to stay home and do household chores or work in the household garden/land Child has to engage in income-generating activities Early marriage Early/teenage pregnancy Recently or continuous movement to different locations Newly arrived to location and have not registered for school yet Customs/tradition Insecurity/safety Child is disabled Child is too young No transport to school Don't believe schooling is necessary Language barrier I don't know or I don't want to answer
--	--	--------------	--------------------------------------	----	-----------------	-------------------------	--	--

NGA1807a Annex A – VENA Thematic Assessment DAP

How can certain types of people, households, or community systems support themselves and be assisted to meet their essential needs?		HH Interview	% of HH members involved in income generating livelihood activity	HH	Select one	hh_member_iga	Is this household member engaged in work during the past one month?	Yes/No/Don't Know
		HH Interview	Most commonly reported types of employment	HH	Select one	hh_member_emp_stat	What was this household member's main employment status during the past one month?	employer (Self-employed) Own account worker (Self-employed) Unpaid family worker (Self-employed) Government permanent (Paid employees) Government temporary/Casual (Paid employees) Private permanent/temporary (Paid employees) Other

NGA1807a Annex A – VENA Thematic Assessment DAP

		HH Interview	Most commonly reported sector of employment	HH	Select one	hh_member_iga_type	What type of work is this household member engaged in?	Accountant/Administrative work/Finance work Agriculture/Farming Brewing alcohol Armed forces/Military Business professional Carpenter Construction/Bricklaying Cook Driver Fisher Hairdresser/Barber Health worker Housekeeper Mechanic NGO worker Sales/Trade Social worker Tailor Teacher Waiter/Waitress Domestic work (cooking, cleaning, doing chores in the home) I don't know or I don't want to answer
--	--	-----------------	---	----	---------------	--------------------	--	---

NGA1807a Annex A – VENA Thematic Assessment DAP

		HH Interview	Most commonly reported reason for unemployment	HH	Select one	hh_member_no_iga_reason	Why is this household member not working?	Studying Taking care of a person Taking care of the house Lack of opportunities Not interested Disabled (physically) Disabled (mentally) Safety/security reasons Sick I don't know or I don't want to answer
		HH Interview	Average weekly hours spent at work	HH	decimal	child_time_working	How much time in hours does this household member spend working per week?	Insert number
		HH Interview	% of minor HH members involved in Harsh labor	HH	Select Multiple	child_harsh_labor	Does the work undertaken by this household member involve any forms of the following harsh labor conditions?	Carrying heavy loads Working with chemicals/explosives Working with dangerous tools/operating heavy equipment Working at heights Collecting or sorting garbage Exposure to dust, fumes or gas Exposure to extreme heat or humidity Exposure to loud noise or vibrations Exposure to harassment. Exposure to sexual and/or gender based violence None of the above I don't know or I don't want to answer

NGA1807a Annex A – VENA Thematic Assessment DAP

What are the profiles of vulnerable population completely or partially unable to meet their essential needs	Who are these people?	HH Interview	% of HH members with disabilities and/or medical conditions	HH	Select one	hh_member_seeing	Does this household member have difficulty seeing, even if wearing glasses?	No difficulty Some difficulty A lot of difficulty Cannot do at all
		HH Interview	% of HH members with disabilities and/or medical conditions	HH	Select one	hh_member_hearing	Does this household member have difficulty hearing, even if using a hearing aid?	No difficulty Some difficulty A lot of difficulty Cannot do at all
		HH Interview	% of HH members with disabilities and/or medical conditions	HH	Select one	hh_member_walking	Does this household member have difficulty walking or climbing steps?	No difficulty Some difficulty A lot of difficulty Cannot do at all
		HH Interview	% of HH members with disabilities and/or medical conditions	HH	Select one	hh_member_conc	Does this household member have difficulty remember or concentrating?	No difficulty Some difficulty A lot of difficulty Cannot do at all
		HH Interview	% of HH members with disabilities and/or medical conditions	HH	Select one	hh_member_self_care	Does this household member have difficulty with self-care such as washing or dressing without help?	No difficulty Some difficulty A lot of difficulty Cannot do at all
		HH Interview	% of HH members with disabilities and/or medical conditions	HH	Select one	hh_member_com	Does this household member have difficulty communicating in your language, trouble with understanding or being understood?	No difficulty Some difficulty A lot of difficulty Cannot do at all

NGA1807a Annex A – VENA Thematic Assessment DAP

		HH Interview	% of HH members with disabilities and/or medical conditions	HH	Select one	hh_members_part_community	Based on the factors you just identified about this person, is this household member able to function in terms of working, contributing to household responsibilities, and participating as a member of the community?	No difficulty Some difficulty A lot of difficulty Cannot do at all
		HH Interview	% of HH members providing domestic support to other members	HH	Select one	hh_member_support	How much time does this household member spend supporting other HH members with specific needs?	Partial time [at least 2 hours a day] Full time [All hours each day] Not time at all I don't know or don't want to answer
Which assistance modalities (in-kind, cash, voucher, etc.) are		HH Interview	Preferred livelihood assistance modality	HH	Select one	lh_assis_pref	Does your household prefer receiving livelihoods assistance in cash, in kind, or through voucher?	In-kind Cash Voucher

NGA1807a Annex A – VENA Thematic Assessment DAP

<p>appropriate based on the types of the vulnerabilities identified? /</p> <p>How can certain types of people, households, or community systems support themselves and be assisted to meet their essential needs?</p>		HH Interview	HH main income source	HH	Select one	main_income	Household's main livelihood activity in the LAST 3 months in terms of income source?	<p>No source of income in last 3 months</p> <p>Agriculture and sale of cereals, vegetables and other crops</p> <p>Livestock and sale of livestock or livestock products and poultry</p> <p>Casual labor related to agricultural or non-agricultural activities</p> <p>Skilled labor</p> <p>Trader / shop owner / commerce / petty trading / handicraft</p> <p>Salaried work (public or private)</p> <p>Sale of firewood/poles, charcoal, grass, stones</p> <p>Borrowing</p> <p>Fishing or sale of fish</p> <p>Kinship / support from family or friends / remittances</p> <p>Begging</p> <p>Food assistance / sale of food assistance</p> <p>Gathering of wild foods and hunting</p> <p>Other</p>
		HH Interview	HH main income source	HH	text	main_income_other	Please describe other livelihood activity in terms of income source?	Insert other income source

NGA1807a Annex A – VENA Thematic Assessment DAP

		HH Interview	% of HHs having access to land	HH	Select one	land_access	Does your household have access to land for household agriculture use?	Not applicable, our household does not do agriculture YES for this planting season, and YES for last planting season YES for this planting season, but NO for last planting season NO for this planting season, but YES for last planting season NO for this planting season, and NO for last planting season
		HH Interview	% of household with extreme/high/moderate food coping mechanism strategy	HH	Select one	lcs1	During the past 30 days, did your household gather wild foods more than normal for this time of year because of a lack of food or money to buy food?	YES NO, my household did not experience hunger that would make me do this NO, because I have already engaged in this activity in the last 12 months and cannot continue doing it Not applicable - it is not possible for me to do this, even if I needed to
		HH Interview	% of household with extreme/high/moderate food coping mechanism strategy	HH	Select one	lcs2	During the past 30 days, did you send any household members to eat elsewhere due to a lack of food or money to buy food?	YES NO, my household did not experience hunger that would make me do this NO, because I have already engaged in this activity in the last 12 months and cannot continue doing it Not applicable - it is not possible for me to do this, even if I needed to

NGA1807a Annex A – VENA Thematic Assessment DAP

		HH Interview	% of household with extreme/high/moderate food coping mechanism strategy	HH	Select one	lcs3	During the past 30 days, did your household sell more animals than usual due to a lack of food or money to buy food?	YES NO, my household did not experience hunger that would make me do this NO, because I have already engaged in this activity in the last 12 months and cannot continue doing it Not applicable - it is not possible for me to do this, even if I needed to
		HH Interview	% of household with extreme/high/moderate food coping mechanism strategy	HH	Select one	lcs4	During the past 30 days, did your household sell or eat seeds intended for planting this season due to a lack of food or money to buy food?	YES NO, my household did not experience hunger that would make me do this NO, because I have already engaged in this activity in the last 12 months and cannot continue doing it Not applicable - it is not possible for me to do this, even if I needed to
		HH Interview	% of household with extreme/high/moderate food coping mechanism strategy	HH	Select one	lcs5	During the past 30 days, did anyone in your household have to borrow money and/or purchase food on credit due to a lack of food or money to buy food?	YES NO, my household did not experience hunger that would make me do this NO, because I have already engaged in this activity in the last 12 months and cannot continue doing it Not applicable - it is not possible for me to do this, even if I needed to

NGA1807a Annex A – VENA Thematic Assessment DAP

		HH Interview	% of household with extreme/high/moderate food coping mechanism strategy	HH	Select one	lcs6	During the past 30 days, did your household send more household members than normal to cattle and/or fishing camps because of a lack of food or money to buy food?	YES NO, my household did not experience hunger that would make me do this NO, because I have already engaged in this activity in the last 12 months and cannot continue doing it Not applicable - it is not possible for me to do this, even if I needed to
		HH Interview	% of household with extreme/high/moderate food coping mechanism strategy	HH	Select one	lcs7	During the past 30 days, did your household ask other community members for a support of food because of lack of food or money to buy food?	YES NO, my household did not experience hunger that would make me do this NO, because I have already engaged in this activity in the last 12 months and cannot continue doing it Not applicable - it is not possible for me to do this, even if I needed to
		HH Interview	% of household with extreme/high/moderate food coping mechanism strategy	HH	Select one	lcs8	During the past 30 days, did your household sell or slaughter the last of your cows and goats due to a lack of food or money to buy food?	YES NO, my household did not experience hunger that would make me do this NO, because I have already engaged in this activity in the last 12 months and cannot continue doing it Not applicable - it is not possible for me to do this, even if I needed to

NGA1807a Annex A – VENA Thematic Assessment DAP

		HH Interview	% of household with extreme/high/moderate food coping mechanism strategy	HH	Select one	lcs9	During the past 30 days, did your household travel to another village to beg for food or other resources because of a lack of food or money to buy food?	YES NO, my household did not experience hunger that would make me do this NO, because I have already engaged in this activity in the last 12 months and cannot continue doing it Not applicable - it is not possible for me to do this, even if I needed to
		HH Interview	% of household with extreme/high/moderate food coping mechanism strategy	HH	Select one	lcs10	In the last 30 days, did your household use community leaders or a local court to collect debts or bride wealth/dowry, or to gain a support of food or other resources from another community member because of a lack of food or money to buy food?	YES NO, my household did not experience hunger that would make me do this NO, because I have already engaged in this activity in the last 12 months and cannot continue doing it Not applicable - it is not possible for me to do this, even if I needed to
How can certain types of people, households, or community systems support themselves and be assisted to meet their essential needs? Or	How do the above-mentioned experiences differ based on household's displacement status (i.e. displaced and non-displaced households)?	HH Interview	% of HHs that own keys assets		Select one	asset_furniture	Furniture/Furnishings	Yes, individually Yes, jointly with household member Yes, jointly with non-household member No
		HH Interview	% of HHs that own keys assets	HH	Select one	asset_phone	Mobile phone	Yes, individually Yes, jointly with household member Yes, jointly with non-household member No

NGA1807a Annex A – VENA Thematic Assessment DAP

What are the profiles of vulnerable population completely or partially unable to meet their essential needs?	HH Interview	% of HHs that own keys assets	HH	Select one	asset_livestock	Livestock e.g. Cattle, Goats, Sheep, chicken etc	Yes, individually Yes, jointly with household member Yes, jointly with non-household member No
	HH Interview	% of HHs that own keys assets	HH	Select one	asset_motorcycle	Motor cycle	Yes, individually Yes, jointly with household member Yes, jointly with non-household member No
	HH Interview	% of HHs that own keys assets	HH	Select one	asset_sewing_machine	Sewing machine	Yes, individually Yes, jointly with household member Yes, jointly with non-household member No
	HH Interview	% of HHs that own keys assets	HH	Select one	asset_grain_mill	Grain mill	Yes, individually Yes, jointly with household member Yes, jointly with non-household member No
	HH Interview	% of HHs that own keys assets	HH	Select one	asset_plough	Plough	Yes, individually Yes, jointly with household member Yes, jointly with non-household member No
	HH Interview	% of HHs that own keys assets	HH	Select one	asset_building_housing_business	Other building for housing or business purposes (friends, family, renting, etc.)	Yes, individually Yes, jointly with household member Yes, jointly with non-household member No

NGA1807a Annex A – VENA Thematic Assessment DAP

Which essential needs are unmet and what is their severity?	What are the socio-economic and protection barriers that prevent people from meeting their essential needs without assistance?	HH Interview	Avg. HH monthly expenditure for food items	HH		k1	How much money in NGN (Nigerian Naira) did your household spend on the following food items in the past one month?	
		HH Interview	Avg. HH monthly expenditure for cereals	HH	integer	exp_cereals	Cereals (maize, rice, sorghum, wheat bread):	Insert number
		HH Interview	Avg. HH monthly expenditure for tubers	HH	integer	exp_tubers	Tubers (sweet potatoes, cassava):	Insert number
		HH Interview	Avg. HH monthly expenditure for pulses	HH	integer	exp_pulses	Pulses (beans, peas, ground nuts):	Insert number
		HH Interview	Avg. HH monthly expenditure for vegetables	HH	integer	exp_fruits_veg	Fruits and vegetables:	Insert number
		HH Interview	Avg. HH monthly expenditure for fish and meat	HH	integer	exp_fish_meat	Fish/meat/eggs/poultry:	Insert number
		HH Interview	Avg. HH monthly expenditure for fat	HH	integer	exp_fat	Oil, fat, butter:	Insert number
		HH Interview	Avg. HH monthly expenditure for dairy	HH	integer	exp_dairy	Milk, cheese, yogurt:	Insert number
		HH Interview	Avg. HH monthly expenditure for sugar and salt	HH	integer	exp_sugar_salt	Sugar, salt:	Insert number
		HH Interview	Avg. HH monthly expenditure for coffee and tea	HH	integer	exp_coffee	Tea/coffee:	Insert number
		HH Interview	Avg. HH monthly expenditure for other food items	HH	integer	exp_other_meals	Other meals/ snacks consumed outside home:	Insert number

NGA1807a Annex A – VENA Thematic Assessment DAP

Which essential needs are unmet and what is their severity?	What are the socio-economic and protection barriers that prevent people from meeting their essential needs without assistance?	HH Interview	Most common self-reported crop cultivation	HH	Select Multiple	crops_cult	From the following list of crops and animals, which items did your household consume from your own production since the last harvest season?	Maize grain Millet grain Sorghum grain Rice Cassava fresh Sweet potato Beans Ground nuts/Simsim Cows Goat Chicken Fish None
		HH Interview	Avg. quantity of crop produced in the last harvest season	HH	Decimal	crops_quant	How many bags/containers/number of \${crops_name} did your household produce in the last harvest season?	Insert number
		HH Interview	Avg. HH quantity consumed per month from the last harvest season	HH	decimal	crops_consumed	How many bags/containers/number of \${crops_name} did your household consume from the last harvest season?	Insert number
		HH Interview	Unit price for each crop produced from the last harvest season	HH	decimal	crops_price	In Nigerian Naira (NGN), what was the total money earned selling \${crops_name} from the last harvest season?	Insert number

NGA1807a Annex A – VENA Thematic Assessment DAP

Which essential needs are unmet and what is their severity?	What are the socio-economic and protection barriers that prevent these people from meeting their essential needs without assistance?	HH Interview	Avg. monthly HH expenditure for fuel ¹	HH	integer	exp_energy	How much money in NGN (Nigerian Naira) did your household spend on energy (firewood, charcoal, fuel, electricity etc.) in the past one month?	Insert number
		HH Interview	Avg. monthly HH expenditure for water	HH	integer	exp_water	How much money in NGN (Nigerian Naira) did your household spend on water in the past one month?	Insert number
		HH Interview	Avg. monthly HH expenditure for communication	HH	integer	exp_communication	How much money in NGN (Nigerian Naira) did your household spend on communication (airtime, data, phones, etc.) in the past one month?	Insert number
		HH Interview	Avg. monthly HH expenditure for transport	HH	integer	exp_transport	How much money in NGN (Nigerian Naira) did your household spend on transportation in the past one month? This includes transportation to health centres, schools, markets, etc.	Insert number

¹ Expenditure data for food and non-food items are aggregated to inform the economic vulnerability of households. The aggregation total expenditure, consumption from our agricultural production/livestock, savings (if any) minus any assistance received (cash, in-kind and voucher) is compared to survival minimum expenditure basket (SMEB) for each local government areas (LGAs). For LGAs where SMEB data is not available, World Bank's international poverty line is used.

NGA1807a Annex A – VENA Thematic Assessment DAP

		HH Interview	Avg. monthly HH expenditure for healthcare	HH	integer	exp_doctor_fee	How much money in NGN (Nigerian Naira) did your household spend on health (including doctor consultation fee/medicines, hospital/clinic charges, and Traditional Doctors fees/ medicine) in the past one month?	Insert number
Which essential needs are unmet and what is their severity?	What are the socio-economic and protection barriers that prevent these people from meeting their essential needs without assistance?	HH Interview	Avg. monthly HH expenditure for soaps?	HH	integer	exp_soaps	How much money in NGN (Nigerian Naira) did your household spend on soaps in the past three months?	Insert number
		HH Interview	Avg. monthly HH expenditure for blankets	HH	integer	exp_blankets	How much money in NGN (Nigerian Naira) did your household spend on mosquito nets, sleeping mats/mattresses, blankets, water storage vessels, basins, cooking tools in the past three months?	Insert number
		HH Interview	Avg. monthly HH expenditure for livelihoods/asset s	HH	integer	exp_lh	How much money in NGN (Nigerian Naira) did your household spend on livelihoods or business assets (agricultural equipment, livestock, sewing machine, small shop, etc.) in the past three months?	Insert number

NGA1807a Annex A – VENA Thematic Assessment DAP

		HH Interview	Avg. monthly HH expenditure for debt repayment	HH	integer	exp_debts	How much money in NGN (Nigerian Naira) did your household spend on paying debts in the past three months?	Insert number
		HH Interview	Avg. monthly HH savings	HH	integer	hh_saving_amount	How much money in NGN (Nigerian Naira) did your household save during the past three months?	Insert number
Which essential needs are unmet and what is their severity?	What are the socio-economic and protection barriers that prevent these people from meeting their essential needs without assistance?	HH Interview	Avg. monthly HH expenditure for education stationary	HH	integer	exp_edu_needs	How much money in NGN (Nigerian Naira) did your household spend on school uniforms/shoes, equation fee (for translating previous certifications), textbooks, and stationary in the last school term?	Insert number
		HH Interview	Avg. monthly HH expenditure for education fees	HH	integer	exp_fees	How much money in NGN (Nigerian Naira) did your household spend on tuition and exam fees in the last school term?	Insert number

NGA1807a Annex A – VENA Thematic Assessment DAP

How can certain types of people, households, or community systems support themselves and be assisted to meet their essential needs?		HH Interview	Access to and type of credit	HH	Select Multiple	credit_access_type	How does your household access credit or who would you borrow money from if you need it?	VSLA (Village Saving and Loans Associations) Money lenders (Formal) Money lenders (Informal) Shop keepers Bank Micro-finance institution Friends/family My household does not have access to credit or borrowing money I don't know or don't want to answer
		HH Interview	Most common self-reported mode of transportation to access credit	HH	Select one	credit_travel	What is your household members main mode of travel to the place where they access credit or borrow money?	Car Public Transportation Walking Bicycle I don't know or don't want to answer
		HH Interview	Avg. time taken to access credit	HH	integer	credit_distance	How long does it take your household member in minutes to reach the place where you access credit or borrow money and come back?	Insert number
		HH Interview	Access to and type of credit	HH	Select one	credit_access	Has your household borrowed money in the past six months?	Yes/No
		HH Interview	Most common self-reported reason for lack of credit access	HH	Select Multiple	credit_no_access	Why did your household not have access to credit?	Lack of information on available services Certain credit policies which I can't fulfill (gender, age, disability and ethnic based) Insufficient collateral (lack of assets, land, money) No credit sources in the area

NGA1807a Annex A – VENA Thematic Assessment DAP

								Language barrier (lenders do not speak my language) I don't know or don't want to answer
Which assistance modalities (in-kind, cash, voucher, etc.) are appropriate based on the types of the vulnerabilities identified?		HH Interview	Preferred food assistance modality	HH	Select one	food_assis_pref	Does your household prefer receiving food assistance in cash, in-kind, or through voucher?	In-kind Cash Voucher
What are monetary and non-monetary essential needs of the vulnerable population in Northeast Nigeria?		HH Interview	Primary self-reported food source	HH	Select one	food_source_rank1	What is the most important source of food that your household consumes?	Own production (crops, animals) Fishing/hunting Gathering from nature Borrowed from friends/family/neighbors Market (purchased with cash) Market (purchased with credit) Beg for food Exchange labor or items for food Gift from family/friends/neighbors Food assistance from NGOs, WFP, UNHCR I don't know or don't want to answer
