- > 1,000 people
- 500 - 1,000 people
- < 500 people

Methodology Note:
This map shows cyclone shelters that appear on designated lists compiled by the Cox's Bazar DRRO, as well as showing capacity data from these lists. In addition, the map also highlights other structures that are not included in DRRO lists, but have been identified as cyclone shelters by other data sources including the Cox's Bazar District Disaster Management Programme, the Cyclone Preparedness Programme, UNDP, IOM, and UNHCR.

Note: Maps are for navigation and orientation purposes only. Data, designations and boundaries contained on this map are not warranted to be error-free and do not imply acceptance by REACH or ECHO.
