South Sudan: Humanitarian Situation Monitoring, June-July 2024 – Access to education

Proportion of assessed settlements where key informants reported that majority of children do not attend primary education in the current or last school term

Production date: 30 Nov 2024

Methodology The Area of Knowledge (AoK) assessment is conducted every guarter using a structured survey with Key Informants (KIs) who have arrived from, recently visited, or received regular information from a settlement. All data was aggregated at the settlement level, and settlements were assigned the modal or most credible response. When no consensus was reached regarding a settlement, the report did not include that settlement.

reached interview coverage of at least 10% of all settlements per county.ⁱⁱ

ii. To calculate the percentage of AoK coverage, the total number of settlements per county is based on OCHA settlement lists in addition to new settlements mapped by KIs reached each month.
