Rapid Response Mechanism: Central African Republic

01 - 30 June 2017 Monthly dashboard

The Rapid Response Mechanism (RRM) is designed to monitor humanitarian action, conduct multisector assessments, emergency NFI distributions and WASH interventions when there is no capacity on site. Currently, RRM is made possible through the generous support of the CERF, Denmark, Ireland, Canada, European Commission's Humanitarian Aid and Civil Protection Department (ECHO), Global Thematic, OFDA, Japan, CHF and SIDA. All RRM products are available on the Humanitarian Response portal.

Beneficiaries: January - June 2017

Ongoing activities are not taken into account. The WASH package is adapted to the priority needs identified at each answer.

	MEX (exploratory mission)	20
	MSA (multisectorial assessment)	37
	NFI distributions	21
