WASH Site Profile - Camp 15 (Jamtoli)

Ukhia, Cox's Bazar, Bangladesh (August 2018) GPS Coordinates: 92.143, 21.1605

Summary

This profile provides an overview of water, sanitation and hygiene (WASH) infrastructure within Camp 15 (Jamtoli) in Ukhia, Cox's Bazar. Primary data for this round was collected from 29th July to 29th August 2018.¹ Findings should be considered indicative only. Full camp dataset is available on HDX.

WASH Sector

Cox's Bazar

Site Overview **Key WASH Infrastructure** # of individuals: 49,291 # of latrines: 2,724 (% functional and safe²): # of households: 11,143 (83%) # of improved water sources:3 1,223 # of shelters: 11,783 (% functional): (68%) # of individuals 1,640 # of washrooms: per shelter: 4

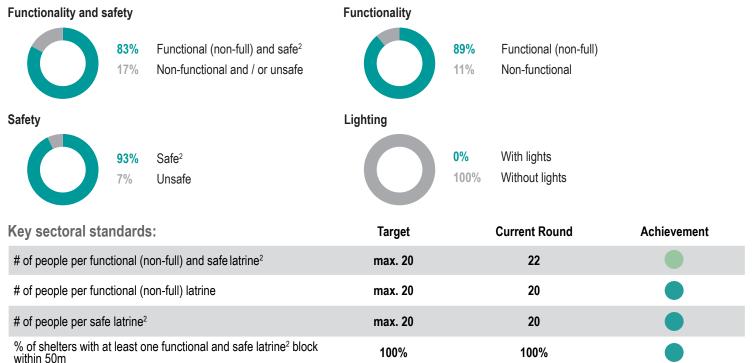

Water Access

Three most commonly identified types of water points, by functionality:

82% 11%	Handpump / tube well Water tank	67%		33%	Functional	
7%	Tapstand	55%		45%	Non-functional	
Key sectoral standards:			Target	Current Round	Achievement	
# of people per functional improved water source			max. 250	59		
% of shel within 200	ters with at least 1 functional in Om	nproved water source ³	100%	100%		
% of functional improved water sources with no latrine within 10m			100%	61%		

Sanitation

Latrine characteristics:

Targets based on long term WASH Sector Standards / Indicators for the Rohingya response, Sphere Minimum Standards as well as Department of Public Health and Environment (DPHE) Minimum Standards.
Minimum standard/indicator reached,
75%-99% minimum standard/indicator reached,
50-74% minimum standard/ indicator reached, Less than 50% of minimum standard/indicator reached.

1. REACH enumerators conducted a full sweep of all sites and camps (as per boundaries defined by ISCG) and used an Open Data Kit (ODK) form to log all key infrastructure observed during this sweep, with further

details to be logged for WASH infrastructure.

Safe refers to fully covered latrines (i.e. a latrine with four walls, a roof and a lockable door).
 This includes handpumps / tube wells, tapstands and water tanks.
