

The Rapid Response Mechanism (RRM) is designed to monitor humanitarian action, conduct multisector assessments and intervene in NFI and WASH when there is no capacity on site. Currently RRM is made possible through the generous support of the CERF, Denmark, Ireland, Canada, European Commission's Humanitarian Aid and Civil Protection Department (ECHO), Global Thematic, OFDA and SIDA. All RRM products are available on the [Humanitarian Response](#) portal.

### Activities: January - December 2016

Ongoing activities are not taken into account. The WASH package is adapted to the priority needs identified at each answer.

MEX (exploratory mission)	74
MSA (multisectoral assessment)	74
NFI distributions	36
WASH interventions	26
Hygiene sessions	147
Emergency latrines	88
Rehabilitation of water sources	56

### Beneficiaries: January - December 2016

**139,799**  
individuals  
(29,810 households)

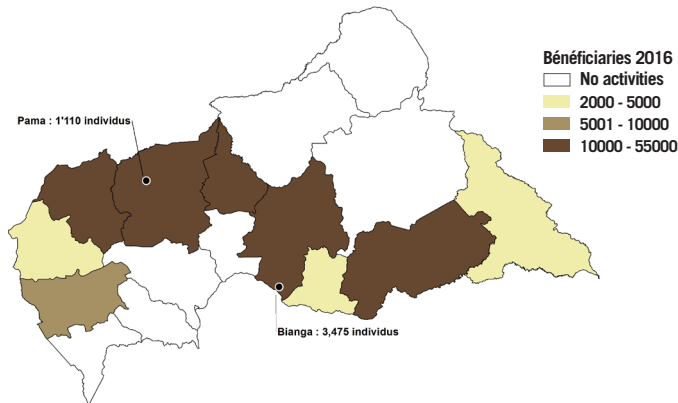

**70,017**  
individuals

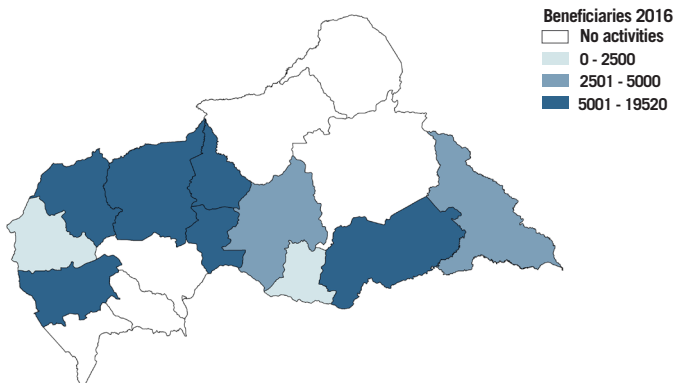

### Distribution of beneficiaries

NFI distributions in December and in 2016

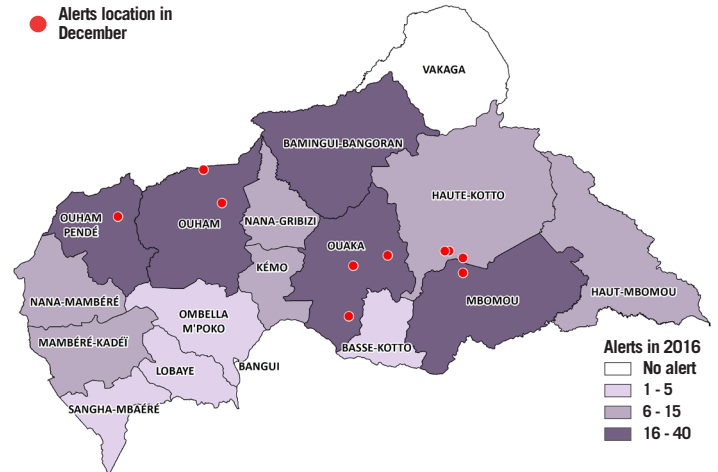

### WASH interventions in December and in 2016

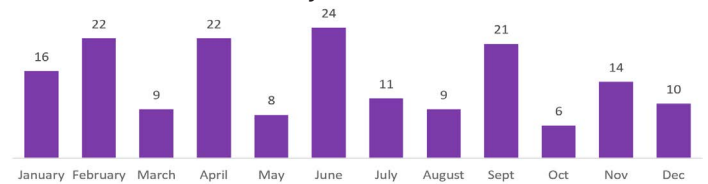

### Alerts received or sent by RRM in 2016

Alert distribution in December and in 2016

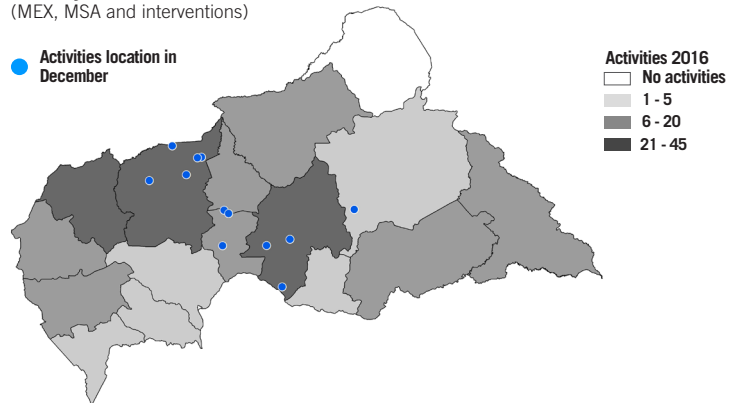

### Alerts received or sent monthly in 2016

### Overview of RRM activities in 2016

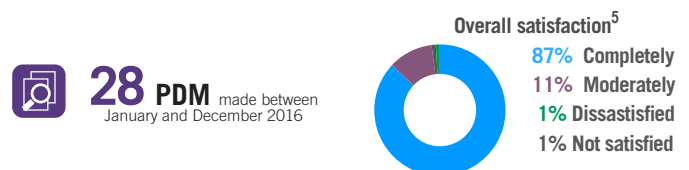

Activity distribution in December and in 2016 (MEX, MSA and interventions)

### RRM activities in December 2016

### Results of the post-distribution monitoring: January - December 2016

<sup>1</sup> The term 'host family' refers to families who are hosting displaced, returnee or refugee persons in their home. <sup>2</sup> The term 'residents' refers to individuals that have not been displaced as the result of a humanitarian-related event and are not hosting anyone in their home. <sup>3</sup> The term 'Returnees' refers to people who have come back to their pre-crisis location following a period of internal displacement. <sup>4</sup> The term 'repatriated' refers to former refugees who have returned from neighbouring countries. <sup>5</sup> Overall satisfaction level of beneficiaries about NFI kits. Due to the absence of recent population data in the majority of communities in CAR, these figures are estimations.
