IDPs	95	665	7
Returnees	0	0	N/A

Size of settlement	10,539 sq m
Average area per person	16 sq m
Altitude	1,753 m

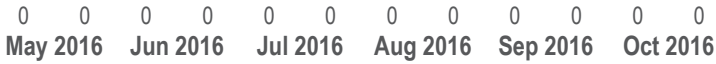

Five households, originating from Alishang, Laghman were the first to settle at Taimani Project Street 2 in 2003. Two years later, 20 more households from Mehtarlam, Laghman joined the site. In 2013, a further 65 households from Mehtarlam moved to the settlement. An additional five households moved into the settlement during 2014, with individuals travelling from Shinwar, Nangarhar.

Since 2014, the demographics of the settlement have not changed as space constraints prevent new households from joining the site. The settlement provides access to essential facilities, such as healthcare and schools. It was found that residents do not plan to stay in the site, although they do not have a clear plan to leave.
