

YEMEN- Water Access

Distance traveled by water truck VS Water trucking price per cubic meter- April 2019

Data sources:
JMMI Water trucking data April 2019 - REACH
Coordinate System: WGS 1984 Web Mercator Auxiliary Sphere
File: REACH_YEM_Map_PriceVsDistance_May2019_WASH
Contact: reach.mapping@impact-initiatives.org

Note: Data, designations and boundaries contained on this map are not warranted to be error-free and do not imply acceptance by the REACH partners, associated donors mentioned on this map.

Note: Median water trucking prices per district per cubic meter in YER and median water trucking distance in KM data was provided by the REACH JMMI monthly questionnaire.

Note:
-The high refers to the median value that falls in the highest quartile of the data.
-The medium refers to the median value that fall in the middle two quartiles of the data.
-The low refers to the median value that falls in the lowest quartile of the data.
