

Footnotes:
 *Custom composite, based on the sub-pillars "Access to a sufficient quantity of water", "Access to functional handwashing facilities and soap" and "Access to healthcare facility"
 **For districts with IDP populations below 5,000, values are not displayed.
 ***Limited IDP sample size. Data may be indicative of conditions, but is not based on a statistically representative sample of the population.
 ****For Hard to Reach districts, where data was not collected, figures are projected as the median value of the adjacent districts.

Note: Data, designations and boundaries contained on this map are not warranted to be error-free and do not imply acceptance by the REACH partners, associates, donors mentioned on this map.
